Rules to Discuss:

Out—Of—Bounds areas

Respect other people

Stop, Look and Listen

Games:

Name "TAG" That Person

Here is a great get acquainted game kids AND adults alike enjoy. Participants make their own name tag according to the theme for your lesson. Then everyone needs to choose a name that goes along with the theme and that starts with the first letter of their name.

Examples:

Undersea theme:

Electric Eel Ellen

Magnificent Mug-fish Mel

Characteristic theme:

Joyful Jane

Lovable Lori

Marvelous Mitch

After everyone has chosen a name, have them make their name tag with the name on it and decorate it, so the name is readable. Have everyone sit in a circle on the floor or in chairs and play a modified version of Hot Potato. Instead of a potato, use an inflatable fish or bug or ball. When you throw it to someone, YOU MUST SAY THEIR NAME and then throw it to someone else, saying their name and so on. Go slow at first and then go faster as you go along.

If you have a lot of people, break them up into groups of 8 to 10. Too many people and names to remember is not fun. Enjoy and everyone learns to know everyone's name and SO WILL YOU!

Indoor Hockey

Have 2 chairs set up at each end of hall set up to be goals for hockey. Create 2 teams, each team picks one side of hall where they can sit in a line and watch when not playing. Give each child in each team a number starting with 1 at opposite ends of each team. Call out a number, and each child with that number must run to the centre, pick up a 'newspaper' hockey stick and try to get the ball in their goal area.

Stop, Look and Listen

Cubs talk and make as much noise as they like. As soon as a leader raises their arm. They immediately have to stop, look and listen. The slowest to respond sits aside until there is one cub left.
